Wednesday Night Community Group Childcare Cost Breakdown

Parents, we have a special offer from The Learning Experience which is located on Cedarcrest Road. They have offered their facility and childcare workers on Wednesday nights. They will have professional childcare workers to watch children from Cedarcrest Church. This offer is only for folks involved in community groups and only between the hours of 6:30 PM and 8:59 PM. You can drop your children off at the center beginning at 6:30 and they **MUST BE PICKED UP** by 8:59 PM. Any child picked up at 9:00 or later will be charged \$1.00/minute. I realize this sounds harsh but Cedarcrest is already absorbing some cost to provide this service and their workers will need to get home.

Cost Breakdown:

\$3.00/child per night.

The maximum any single family will pay is \$8.00 no matter how many children you personally have.

Money will be paid directly to The Learning Experience when your child or children are dropped off in the form of check or cash. Cedarcrest Church is picking up all other costs for this service. For more information please contact our office at 678-460-3500. You can also see their website at thelearningexperience.com.
