God is telling us, His people, to examine the ant...yes, the literal insect. Did you know that ants can lift anywhere from 10-50% of their body weight? Did you know that they are extremely hard workers? In 2000, scientists discovered an ant colony full of billions of workers and measured 3700 miles wide! These are amazing little workers! What if a group of ants decided they didn’t want to work, what do you think would happen? _____

Remember what responsibility is? Responsibility is showing that you can be trusted with what is expected of you. It means you need to carry your own load, to do your part. If you don’t, that responsibility falls to someone else and others won’t find it as easy to trust you next time.

What is something that you’ve been given to do (no matter how big or small)? _____

*Pray and ask God to help you to work hard and do your part!

WEDNESDAY

Open your hands and tell God, “I receive Your love today!” What does this feel like?

WORSHIP

Tell Jesus 5 things you love about Him!

TALK TO GOD

1 Corinthians 3:8

I’m not a farmer. You’re probably not a farmer either. But do you know that if a farmer wants to reap a good harvest, he has to put in the work of planting and watering and weeding? If the farmer doesn’t take his responsibility seriously, his family and the families he grows food for won’t eat.

Imagine that your life is just like a harvest...you will reap what you sow into it.

Take a minute to pray and ask God what he wants for you to be working hard at. Is it homework? Is it obeying your parents? Is it not talking bad about friends behind their backs? Ask God and then write what you hear:

When there's a job to be done, what if the most powerful man or woman you can think of (president, queen, king, etc...) walked into the room? Would you slack off or would you work harder because somebody super important were there? You'd probably work harder!

How much more important is your heavenly Father? He's way more powerful than any elected president or reigning queen. When you're tempted to give up or quit, think about working hard for God!
